Dr. Henry,

4-17-2000

I'm aware the dairy industry has filed a petition to prevent others (soy milk producers) from using the word milk. Besides cow milk, there is nut milk, coconut milk, rice milk, oat milk and soy milk. The dairy industry shouldn't be able to monopolize the word milk. Please allow non-dairy beverages to be labeled as milk. Also, please require milk from cows be labeled clearly as "cows' milk". Thanks for listening.

Sincerely, S. Jacobs
