5-8-W

To: Food and Drug Administration

I am writing to encourage you to act on Docket #99P-4613 to prevent the use of unhealthy and inhumane BGH on dairies. This petition which has been filed should ban the use of genetically engineered Bovine Growth Hormone on dairy cows. The use of BGH is not acceptable, an inhumane agricultural practice, and unhealthy.

Please give this matter your immediate attention.

Thank you for your time and concern.

Sincerely,

Annette M. Fisher
