Commissioner Jane Henney
Docket # 00P 1211/CP1
FDA Dockets Management Branch HFA 305
5630 Fishers Lane, room 1061
Rockville, Maryland 20852

Dear Commissioner Henney,

Just one more citizen - and cook, eater and occasional gardener - weighing in in favor of mandatory labelling and thorough pre-market testing of genetically-engineered foods. Please let us know what we are growing, buying and eating before it is too late!

Many thanks,
Rabbi Margaret Holub
