To the U.S. Food & Drug Administration
I was sicken to read the News letter from the Farm Sanctuary I was aware that this has been going on for years. I was hoping through care, compassion and handling would maybe improve, but I was wrong. It's all about Greed & Power. This is why I have been a Vegetarian for 22 years. I urgently ask that you grant our petition to prohibit the slaughter of Downed animals - Docket number 98P-0151/CP1 Thank you for your time.
