Re: FDA Docket No. 98N-1265

April 20, 1999

To Whom It May Concern

99 APR 26 AM 10:25

I strongly oppose the Draft Memorandum being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the numbers of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

This is ridiculous — a limitation on our rights to have individually compounded prescriptions mailed to our homes!

Sincerely,

Donna Gates Andreasen
