Dear Staff:
Re: Docket Number 98P-0151/CP1
I am writing on behalf of downed animals.
To treat them so cruelly is inhumane and to use their flesh for human consumption is reprehensible and totally unacceptable.
The treatment of downers is shocking, and I have written to my congressmen several times to protest the total lack of care and compassion these unfortunate animals receive.
I am urging the Food and Drug Administration to grant petition 98P-0151/CP1 which would prohibit the slaughter of downed animals.

Sincerely,
Elsie R. Pratt
(Mrs. A.A.)
