FDA - Docket No 98N-1265 '99 APR 27 A10:02
Food and Drug Administration
5600 Fishers Lane
Rockville, MD 20857

To whom It May Concern:

I oppose the Draft Memorandum being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

If these interests force out the formularies then medication choices will be determined by Mass-marketing pharmaceutical houses only — which is grossly unfair to the small companies.

C 1445

Sincerely,

98N-1265
