To Whom It May Concern,

I oppose the Draft Memorandum being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies. Please do not pass this legislation. I prefer the current system which allows me to work with my doctor-patient-pharmacist team.

Sincerely,

Linda Rukoke
