Jane Henney, M.D., Commissioner
Food and Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Commissioner Henney,

This letter is to urge you very strongly to expedite the FDA's action to ban the growth-promoting uses of antibiotics that have a role in human medicine, for livestock destined for human consumption. There are rapidly increasing reports of drug-resistant illnesses and the thought of being seriously ill with no effective treatment's being available because of the ill-considered uses of drugs is truly alarming.

Sincerely yours,
Lucille C. Record
(Mrs. Frank A. Record)
