Mr. & Mrs. Owen Hughes
17406 Adams Ln
Eagle River AK 99577-7421

01/08/01

Dear Commissioner Henney:

The practice of using human antibiotics to induce faster growth in livestock must be stopped. 10 '01 JAN 25 AM 9:51

The risk of these antibiotics causing bacteria to develop resistance and thus become new dangerous strains to humans is too dangerous.

Please consider my concern. Owen K. Hughes
