Dear Sir or Madam,

I am writing in reference to Docket number 98P-0151/CP1 which would prohibit the slaughter of downed animals. I strongly agree with this petition. There is evidence that some downed animals may be infected with Bovine Spongiform Encephalopathy. Also, inhumanely pushing these animals with tractors or dragging them with chains is inherently cruel.

Thank you for your attention to this matter.

Yours truly,
(Mrs.) Eileen Adamec
