To the FDA:

RE: Docket No. 98N-1265

As a consumer of healthcare services I would like to register my concern and disapproval of the MOU as published by the FDA on January 21, 1999

In its present form the MOU as well as the Compounding Section 503A of the Modernization Act severely restricts my rights to obtain my necessary medications which is prescribed to my pharmacist by my physician. It also infringes on the rights of compounding pharmacist to serve the public's medical needs. The MOU must be amended! This is NOT a safety issue.

98N-1265

Sincerely,
Charlotte S. Fox
