2/20/01

Dear Sir/Madam:

I am referring to Docket # 98P-0151/CP1 regarding downed animals. Please stop their suffering which is many times that of healthy animals going to slaughter.

For God sake - what have we become. The decent thing to do is to stop this now - it's so easy for you - Just do it. Look in their eyes, feel their pain just for a moment!

Karen Thompson

98P-0151
