Re: docket # 98P-0151/CP1

Dear Sir:

I'm writing to urge that you grant petition 98P-0151/CP1, prohibiting the slaughter of downed animals.

The slaughter of these sentient beings is inhumane to the highest degree; in addition, the meat from these animals offered for sale is dangerous to human health.

Will you, then, use your authority to oppose the slaughter of downed animals.

Gratefully yours,
Lydia C. Biglio, PhD
