FDA
USDA-1

Farm Sanctuary launched a "No Downers" campaign last year to end marketing of sick & injured animals in stockyards.

The (USDA) has stopped purchasing meat from these animals, unveiling a growing consensus among the livestock industry. This decision sets a major precedent that downed animals is unacceptable.

The FDA must prohibit the slaughter of downed animals.

The petitions docket number, 98P-0151/CP1.

Please join in the this urgency of no marketing & or eating said animals.

Thanking you in advance,

Sincerely,

Please respond
