To whom it may concern,

I am writing to protest the slaughter and/or sale of downed animals. Therefore, I am writing in support of petition 98P-0151/CP1 that would prohibit the slaughter of downed animals. Some downed animals may be afflicted with a form of BSE, or mad cow disease, which has been linked with a fatal human illness, Creutzfeldt-Jakob disease. Please pass the petition to protect both downed animals and people from death. Thank you.

Sincerely,

Stephanie Blythe
