To Whom it May Concern:

5470 '01 MAR 21 P4:59

I am contacting you to urge you to grant petition 98P-0151-CP1, which would prohibit the slaughter of "downed" animals for human food.

Because of the concern of disease that may be present in these animals, for obvious reasons, they should be deemed unfit for human consumption.

Thank you for your time and concern in this matter.

Regards,

Marianne Wainwright
