2302 '99 MAY -3 AM 10:39

Dear Sir:

4/25/99

Re: Docket #98N-1038, Irradiation in the production, processing and handling of food."

I want very clear labeling for irradiated food, with the use of the terms "irradiation" or "irradiated" and the use of the radura symbol.

There are many people who want to know they are getting the vitamins in their food without the changes that irradiation would cause.

98N-1038

Very sincerely,

Connie Kaye
