The North Shore Animal League saves abandoned dogs and cats, and finds them new homes.

5/2/99 - Re: Docket 98P-0203/CP

Dear Mr. Jaffe,

I am writing to tell you that I support the petition to ban the forced molting of layer hens. This practice is cruel to the hens and dangerous for humans, since forced molting is a major cause of salmonella poisoning in eggs.

Thank you.

Sincerely, [signature]
