Table of Contents

Table of Contents

Volume I

I. **Manufacturer** 1

II. **Chemical Identification, Manufacture, & Product Analysis** 4
- Chemical Name 4
- Chemical Abstracts Service Registry Number 4
- Structural Formula 4
- Molecular Weight 5
- Botanical Family Name 5
- Part of Plant Used 5
- Source 5
- Chemical Composition 6
- Manufacturing Process: Extraction of Psyllium Hemicellulose 6
- Psyllium Hemicellulose Specifications 7
- Composition of Psyllium Hemicellulose 8
- Impurity Profile – Psyllium Hemicellulose 8
- Pesticide Residue Results for Psyllium Hemicellulose 9
- Stability of Psyllium Hemicellulose 11

III. **Comparison of Psyllium Seed Husk & Psyllium Hemicellulose** 11
- Characterization of Psyllium Hemicellulose & Psyllium Seed Husk by Size-Exclusion Chromatography with Multi-Angle Light Scattering & Refractive Index Detection 12
- Swell Volume 14
- Dewetting of Psyllium Hemicellulose vs. Psyllium Seed Husk 14
- Rheology 14
- Soluble Fiber 16
- Fermentation 16
- Protein Content 17

IV. **Dietary Supplement Form, Conditions of Use, Specifications & Proposed Mechanism of Action** 18
- Product Form 18
- Product Composition 18
- Dietary Supplement Conditions of Use/Labeling 18
- Proposed Mechanism of Action 18

V. **Safety Assessment of Proposed Use of Psyllium Hemicellulose as a Dietary Supplement** 19
- History of Use 19
- Toxicology Studies 20
- Acute Toxicity 21
- Subchronic Studies 21

Chronic Studies..... 26
Specialty Studies..... 27
Effect of Dietary Psyllium on Mineral Balance..... 30
Effects of Psyllium of Blood Pressure..... 30
Reproduction and Teratogenicity..... 30
Mutagenicity and Carcinogenicity..... 34
Summary of Animal Toxicology..... 35

VI. Efficacy Studies in Animal Models..... 35

VII. Human Studies..... 35

VIII. Consumer Research Tests on Psyllium Hemicellulose and Related Safety Information..... 36
Employee & Consumer Usage of Marlett..... 36
Psyllium Hemicellulose Listing in Over-the-Counter (OTC) Monograph for Human Use..... 37
Exposure Estimates for Psyllium Seed Husk in Food as it Relates to Psyllium Hemicellulose..... 38
Side Effects/Toxicity..... 38
Adverse Effects/Contraindications..... 39

IX. Claims..... 39

X. Safety Assessment Summary..... 39

XI. References Cited..... 42

XII. Appendix A..... 48

XIII. Appendix B..... 86

Volume II

XIV. References..... 91
