DR. HENNEY,

2414 '00 AUG 16 P2:15

I AM WRITING TO URGE YOU TO FOLLOW THE EUROPEAN UNION'S LEAD AND MOVE TO BAN ANIMAL* USES OF GROWTH-PROMOTING ANTI-BIOTICS WHICH ARE USED IN HUMAN MEDICINE. I AM SURE YOU KNOW THE REASONS TO DO THIS, INCLUDING THE AVOIDANCE OF ANTIBIOTIC-RESISTANT STRAINS OF BACTERIA AND IMPROVEMENT OF LIVING CONDITIONS FOR LIVESTOCK.

THE EUROPEAN UNION HAS MANAGED TO DO THIS WITH LITTLE ECONOMIC COST AND, MOST LIKELY, LONG-TERM ECONOMIC GAIN IN IMPROVED QUALITY.

I AM ONE OF MANY PEOPLE WHO WILL BEGIN EATING MORE MEAT IF THIS CHANGE IS MADE. CURRENTLY I DO NOT EAT MEAT AT RESTAURANTS OR OTHER PEOPLES HOMES FOR THIS REASON.

THANK YOU,

SUSAN MOTTET
