Jane Henney, M.D.
Commissioner
Food and Drug Administration
5600 Fishers Lane, Rm. 1471
Rockville, Md. 20857

Dear Dr. Henney,

I am very much in favor of the FDA promptly approving claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia; psyllium husk seeds and risk of heart disease; folic acid, vitamin B6 and vitamins B12 and cardiovascular disease; and vitamin E and the risk of cardiovascular disease.

I have benefitted from these things and especially Vitamin E.

Good luck for a change

Sincerely,

Madge Moore
