Sir or Madam —

I am writing to you in regards to Docket # 99P-4613. The docket that necessitates a ban on the use of BGH, Bovine Growth Hormones, in dairy cows. It has already been proven to make people sick and to contribute to a whole host of long term health problems. I implore your Agency to strictly enforce this law for the sake of all who consume dairy products, as well as for the cows who are subjected to this and other harmful methods of dairy production. I thank you for your time and consideration.

Sincerely,

99P-4613
