Dr. Michael Friedman Commissioner
U.S. Food & Drug Administration
Dockets Management Branch
12420 Parklawn Dr.
Rockville, MD 20857

1/15/99

Dear Commissioner Friedman,

I am writing to request that you consider downed, non-ambulatory to be diseased & thereby unfit for consumption. These animals suffer terribly & should be humanely euthanized rather than transfered & sold to eventually end up as food. I would like to be able to trust that the meat on my table is safe & was not obtained in this manner. Thank you for your consideration.
