6/15/2000

Dear Sirs;

We urge that you act on Docket # 99P-4613 to prevent the use of unhealthy and inhumane BGH on dairies. We have a overproduction of milk. Monsanto, who invested so much money in BGH, pressured FDA to allow its use, even though it causes terribly enlarged and painful udders and calves are born malformed.

Sincerely,
Mr & Ms Ed Mettler

00P-1211
