Dear Dr. Henney.

I am writing to express my concern over the FDA's regulation of genetically engineered (GE) foods. I request that the agency's current policies be changed + I support all the points in docket #00P-1211 C5644

[X] All GE foods should be labeled so I am informed + have a choice

[X] GE foods should not be assumed to be "generally recognized as safe" + should have mandatory pre-market safety testing to human health + the environment
