5630 Fisher Lane, Room 1061
Rockville, MD 20852

Dear Commissioner Henney,

I am personally taking action against GMO foods in our markets by supporting mandatory labeling of all genetically modified foods, and adoption of strict regulations for the health and safety testing of GMO's. I believe in requirements for comprehensive assessments of environmental risks associated with GMO's. I appreciate your attention to our concerns and your response in advance.

Sincerely, C5721

Sharon Fitz
