To Whom it may concern:

I currently use only milk that is labelled "Free of Bovine Growth Hormone". Not only do I pay more for this milk but only one store located here on S.I. carries this milk.

I truly would appreciate the F.D.A. if they would ban the use of genetically engineered Bovine Growth Hormone on dairy cows nationwide. Please act on Docket #99 P-4613 to prevent use of unhealthy + inhumane BGH on dairies.

Thank You. Hopefully in the near future I'll purchase milk free of BGH in any supermarket of choice.

Respectfully
Angela M. Furnando
