Dear Comm. Henney,

I am writing to ask the Food & Drug Administration to BAN SUB-THERAPEUTIC uses of ANTIBIOTICS IN LIVESTOCK.

Europe is banning 4 antibiotics that is used in animals unnecessarily — what can be done there can be done in America too.

thank you

SUCCESS IS A JOURNEY... NOT A DESTINATION

see (over) please

99P-0485

C1842

the bacteria are resistant to antibiotics in humans, by their MISUSE ~~overuse~~ in animal care.

Please pay attention. thank you.
