DEAR JANE,

IT IS NEVER TO LATE TO DO THE RIGHT THING.

WE AS A PEOPLE CAN STAND UP TO 25 THE 00 MONSANTOS OF THE WORLD AND SAY "NO" TO THEIR ATTEMPT TO CONTROL WORLD FOOD PRODUCTION. YOU KNOW AS WELL AS I THAT THESE IMMORAL CORPORATIONS CARE NOTHING FOR YOU & ME OR THOSE PEOPLE WE LOVE. PROFIT BY ANY MEANS NECESSARY IS THE MOTTO ON THEIR BOARDROOM WALLS. IF THAT MEANS ENVIRONMENTAL DESTRUCTION, MASS HUMAN SUFFERING OR WORSE SO BE IT! THE ALMIGHTY DOLLAR MUST RULE ACCORDING TO THEIR TENETS.

PLEASE SUMMON FORTH YOUR COURAGE AND HUMANITY TO FIGHT TO BAN USE OF GROWTH PROMOTING ANTIBIOTICS FOR ANIMAL USE. IF NOT FOR OURSELVES, THIS FIGHT IS FOR FUTURE GENERATIONS (YOUR CHILDREN & GRANDCHILDREN IF THEY ARE PART OF YOUR LIFE, I HAVE NONE.) AND THE WORLD THEY WILL INHABIT.

I WOULD ALSO URGE YOU TO CONTACT AND CONSIDER THE VIEWS OF THE UNION OF CONCERNED SCIENTISTS REGARDING THE WHOLE ISSUE OF GENETICALLY MODIFIED FOOD AS WELL AS GROWTH PROMOTING ANTIBIOTICS. THE UCS REPUTATION FOR OBJECTIVITY AND RIGOROUS SCIENTIFIC STUDY OF IMPORTANT ISSUES MAY SWAY YOU MORE THEN MY ADMITTEDLY EMOTIONAL ENTREATY.

THANK YOU FOR YOUR TIME

Don L Kliese

P.S. SORRY ABOUT ANY SPELLING/GRAMMAR ERRORS. AT LEAST THIS MISSIVE IS NOT WRITTEN IN CRAYON, NO?
