MAME-

I AM CONCERNED ABOUT THE USE OF ANTIBOTICS AS GROWTH PROMOTING AIDS FOR LIVESTOCK & POULTRY - POSSIBLELY LEADING TO THE EMERGENCE OF ANTIBOTIC RESISTANT DISEASE IN HUMANS.

PLEASE FOLLOW THE EUROPEAN UNION LEAD AND MOVE IMMEDIATLY TO BAN ANIMAL USES OF GROWTH PROMOTING ANTIBOTICS USED IN HUMAN MEDICINE.

ONCE THE ISSUE HAS BEEN THROUGHLY STUDIED, THE BAN CAN BE MODIFIED OR LIFTED AS NECESSARY. BETTER TO ERROR ON THE SIDE OF CAUTION AND FOR HUMANS

THANK YOU
