Dear Sirs: —

I understand there is a proposition currently before you to require the trans-fat content of foods to be listed on labels, alongside saturated fat.

This greatly concerns me and I heartily support this idea. (Docket # 94P-0036).

I have lived to be 97 years old, and need to know what is in the foods I eat if I am to keep healthy.

Please give this measure your close attention. Thank you,

(Mrs.) Miriam C Murray
