Dear Mr. Levitt, 5-24-00

As a member of the Center for Science in the Public Interest I support the FDA's proposal that bottled water manufacturers be required to make available detailed reports of contaminants, just as public water utilities do. All bottled water labels should also disclose where the water comes from.

1353 00 JUN 12 P2:19

Thank you.

Sincerely,

(Mrs) Elaine Jaretz
