Dear Sir or Madam,

I am writing to ask you to 450 MAY -1 A9:43
act on Docket #99P-4613 to prevent
the use of unhealthy and inhumane
BGH on dairies.

Banning the use of genetically
engineered Bovine Growth Hormone
on dairy cows would be helpful to
both animals and people.

Modern chemistry and factory farm methods
are very cruel to innocent animals.
Abraham Lincoln was quoted as saying "Animal
rights are as important as human rights, that
is the way of a human being."
