To Whom It Concerns,

A petition has been filed with the FDA in Wash., D.C. to prevent or ban the use of genetically engineered Bovine Growth Hormone (BGH) on dairy cows.

We are urging you act on Docket #99P-4613 to prevent the use of unhealthy & inhumane BGH on dairies.

Thank you for your time & attention in the name of those more helpless than we.

Phyllis, Larry, Heather Stites
