and leading public health agencies and ban the use of Antibiotics. Our use of antibiotics is compromised - and more and more drug resistant diseases are affecting our "Wellness".

I am hopeful you will be able to do what is right.

With appreciation for your understanding and effort!

Anne B. Eglin

Dear Dr. Henney:

I want to encourage you to consider restriction on antibiotics used to promote livestock growth. I had hoped it would happen long before now - if not for my children but now my grandchildren's health.
