6188 Docket #98P-
0151-CPI

Downed animals should not be marketed. Sick or injured animal should not be pushed with tractors or pulled with chains

These animals that are sick or injured still feel and its about time the human soul realized God created both humans & animals to be enjoyed or used humanely never to be abused.

Animal life is to be respected do not hide your head in the sand as to the cruelty to farm animals & others as well. Do something about it please
