To whom it may concern,
RE: DOCKET 98P-0151/CP1.
Please grant Farm Sanctuary's petition to prohibit the slaughter of downed animals.
Rather than being dragged to slaughter with chains or pushed with tractors and forklifts, they should be humanely euthanized.
No one should profit from the callous, cruel, and neglectful handling of these animals.
They have suffered enough before they even get to the slaughterhouse.
Sincerely, Ellen Whitaker
