Dear Sir or Madam

842 JAN 30 A 9:30

There is a action critically needed to stop downed animals going to the food chain Not only is it cruel and inhumane to the animals but obviously it is not healthy for humans to eat sick and neglected animals. It seems to me and thousands like me that this needs to be prohibited so lets get on with this and put a stop to it

DOCKET NO. 98P-0151-CP1

Thank you

Yours truly
Marian Thomas
