Ref: 98P-0151/CP1

Dear Sirs:

I write to please urge you to grant petition 98P-0151-CP1, to prohibit the slaughter of downed animals.

The risk of disease in these animals is a threat to the public, and the inhumane treatment of these downed animals being brought to slaughter needs to end!

Downed animals can be prevented with better care, and removing them from the market will be an incentive to industry to prevent downed animals in the first place.
