Greetings - This letter concerns 2001 JAN 31 A10:40

The Drowned animal issue

Could you - whomever you are reading this letter - could you shove around a sick + dying + crippled animal with a tractor - or drage it around with chains?
Could you do that? How would you feel about yourself - Would you ~~feel~~ feel like a meanie + a bully - I hope you would - It would show you have Compassion + a conscience -

So please do what you can to let these animals have as Humane a death as possible - Don't expose them to more suffering -

Thanks for your understanding and hopefully, your actions on behalf of "drowned animals"

Louise
