Feb. 2, 2001

To whom it may concern, FEB 13 AM 11:41

Myself and my family Demand that the FDA require more testing of and more information about genetically engineered food products. We are one of thousands of families deeply concerned about the proliferation of genetically engineered products in our food supply. We urge you to implement stringent testing (which is independent + long-term) full + accurate labeling of all genetically engineered ingredients, and scientifically credible

OOD-1598 (over) C 300 →

regulation of all genetic engineering activities.

Thank you very much,

C. Abellera-Miatech
