Dear Madam or SIR:
Concerning genetically engineered Food I first became alarmed several yrs ago when I read corn & tomatoes for better taste & shipping were being altered c̄ Camel & chicken genes - Now I'm concerned ABOUT soy bean products - And of course corn c̄ BT TOXINS - Long term safety testing of GE foods MUST be A requisite. And all GE foods Now sold must be labeled AS to WHAT WAS added WE have a right to know.
SINCERELY, R. O. Kintner
