Please grant Farm Sanctuary's petition & prohibit the slaughter of downed animals.

The ~~direct~~ docket number in question is 98P-0151/CPI.

The needless suffering & torment of downed animals constitutes an act of inhumanity, i.e. man's inhumanity to his fellow creatures. God gave us a mind to think, feel & react, respond with. He also gave us a heart to love all of his creation. The animals, no less, deserve humane treatment whether they are pets or to be consumed eventually.

98P-0151 Thank you for your ~~conse~~ cooperation in changing the laws to help alleviate needless suffering.
