Docket # OOD 1598, OON-1396

Dear Commissioner,

The FDA should be a regulator, not a promoter of the food industry! I am growing increasingly concerned about the role of govt in industry, & the subsequent decline in my food choice.

I urge you to require both labeling & pre-market safety testing of these novel foods that present unique & unforeseen hazards. As I wish to AVOID these foods for myself family & friends. The FDA should NOT be able to DENY MY FREEDOM OF CHOICE!!!!
