Re: Docket # 98P-0151/CP 1

Dear Sir/Madam

I am writing to encourage you to grant Docket #98P-0151/CP1 concerning the slaughter of downed animals.

I am glad that meat from downed animals is not accepted for the National School Lunch Program. However, I believe such meat should be entirely banned from the food chain.

In addition to the additional suffering such animals must endured when sold to slaughterhouses, they may present serious health risks that should not be ignored.

Sincerely,

Liane Cameau
