3-2-01

Dear U.S. Food and Drug Administration,

0317 '01 MAR 17 A9:50

Please grant petition 98P-0151/CP1 that would prohibit the slaughter of downed animals for human consumption.

I am appalled at what farm animals must endure before their suffering finally ends when they are killed.

Please endorse this long-overdue petition.

Thank you very much.

Sincerely,

Lydia Sheridan
