Dear Commissioner,

I am very concerned about the development of genetically altered (GE) foods, and their possible unknown and bad effects on my health, and that of my family. I think the decision not to label GE foods as such is ~~an~~ an unnecessary concession to the agribusiness and food processing industries. I would like to be able to choose or not choose GE foods, and therefore ask you to rethink your position on GE foods.

3643 02 FEB 16 P2:17

Sincerely yours,
Tim Reich
