2/10/01 Comments on Docket #'s OOD-1598 and OON-1396

Dear Commissioner,

THE FDA ought be a regulator, not a promoter of the food industry. I am concerned about the role of Govt. in the industry, + the subsequent decline of my food choice. I urge you to require better labeling + premarket safety testing of these foods that present unique + unforseen hazards. I wish to avoid these foods. I am frustrated that the FDA continues to deny me my FREEDOM of CHOICE! Thank You
