Comments on Docket #'s OOD-1598 & OON-1396

Dear Commissioner,

I am concerned about the quality of the food I buy + it's impact on human + environmental health. So I urge you to seriously rethink your position on GM foods (GE foods) to require pre-market safety testing and labeling of these new foods so that I can use my Freedom of Choice

Thank you for such serious efforts.

Sincerely, Hanna Rost
